### Rules

- A Choir may be two (2) or more individuals performing together.
- A church/ group may register in more than one (1) category but no more than two (2).
- Each choir will be given no more than 15 minutes to perform. The number of songs should be determined by the length of each song (again, not to exceed a total of 15 total minutes). Should your choir go over the allotted time, the choir's performance will be disqualified from the competition.
- Each song should immediately transition into the next song. "Silent" gaps between songs will result in point deduction.
- Performances will be judged on clarity of words, harmony, tune, rhythm, expression, discipline, timing and presentation.
- A standard keyboard will be available for use. Choirs that would prefer the use of any additional instruments must inform Sheila Stevens or Maika Kicklighter so that proper arrangements can be made.
